At The Corner Store we are all about having a good time, but without all of the fuss. So forget about venue hire fees, exorbitant minimum spends and pages of tedious paperwork.

We have a range of different options to suit any occasion and are more than happy to tailor something to your needs. We have 3 function spaces available and can cater for a maximum of 40 people for a sit down dinner or up to 120 for standing.

With seated functions, we don't believe in locking you into a set menu and therefore we offer our full a la carte menu for functions. We are more than happy to accommodate a reduced menu if preferred, the choice is yours.
